

Baylor Scott & White All Saints

Fort Worth, TX

Why BSW All Saints?

- We consider ourselves a very academically centered program that focuses on team-work, quality-care, evidence-based medicine, and long-term career goals.
- The residents' growth will be cultivated in a clinical environment that emphasizes quality-patient care and resident wellness as a part of the Baylor Scott & White healthcare system and in an academic environment centered on the relationship with the TCU and UNTHSC School of Medicine.
- Residents will find their time in residency will both prepare them for a rewarding and life-long career as an emergency medicine physician, and as a well-rounded physician in the 21st century of healthcare.
