

Baylor All Saints

Fort Worth, TX

Why Baylor All Saints?

- We consider ourselves a very academically centered program that focused on teamwork, quality-care, evidence-based medicine and long term career goals.
- The residents' growth will be cultivated in a clinical environment that emphasized quality patient care and resident wellness as a part of the Baylor Scott & White healthcare system and in an academic environment centered on the relationship with TCU Burnett School of Medicine.
- Residents will find their time in residency will both prepare them for a rewarding and lifelong career as an emergency medicine physician, and as a well-rounded physician in the 21st century of healthcare.
