

# Baylor College of Medicine

## Houston, TX

### Why BCM?

We are deeply committed to our underserved patient population and emphasize service to the community as one of our most important core values. We pride ourselves on embracing the unique perspectives and lived experiences of our entire team of residents and faculty members. Residents are able to grow and develop into outstanding emergency physicians that advocate for their patients, community and themselves.

### Important Facts

#### Rotations include:

- Ben Taub Hospital (primary training site)
- Texas Children's Hospital (Main & West campuses)
