

CroFab®

crotalidae polyvalent immune fab (ovine)

You are receiving the reservation page for the “When Time is Tissue” on July 23, 2020 at Noon CST.

BTG International, Inc., a specialty pharmaceutical division of Boston Scientific Inc. is honored to partner with Nebraska Pharmacists Association and Nebraska Medical Association in creating this event.

We would like to invite you to join an upcoming virtual speaker program on CroFab®: “When Time is Tissue.”

The virtual program allows us to provide you with an educational opportunity that is convenient and adheres to the social restrictions of our current environment.

Participating in this program you will learn about:

- The management of North American Pit Viper envenomation
- How to treat snakebites using the Unified Treatment Algorithm
- Treatment with CroFab®: When Time is Tissue

Attached you will find a formal invitation further detailing the information below, or you may click directly on the link to register.

Speaker Name: Dr. William Banner MD

Presentation Date: Thursday, July 23, 2020

Presentation Start Time: 12:00 PM Central

Registration Link:

<https://tallenevents.webex.com/tallenevents/onstage/g.php?MTID=e30403cfedc6245a4cc542467fd1bf636>
